Extrait du film "La La Land"
Paroles : Benj Pasek, Justin Paul

```
Solm            Do
City of stars
                          Rém
Are you shining just for me?
Solm            Do
City of stars
                              Fa        Lam
There's so much that I can't see
     Solm       Do
Who knows?
                          Fa          Famaj7        Fa7
I felt it from the first embrace I shared with you
      Solm       La7
That now our dreams
                       Rém
They've finally come true

Solm             Do
City of stars
                          Rém
Just one thing everybody wants
Solm                 Do
There in the bars
                                        Fa              Lam
And through the smokescreen of the crowded restaurants
      Solm     Do
It's love
                              Fa          Famaj7      Fa7
Yes, all we're looking for is love from someone else
   Solm
A rush
   Solm
A glance
   La7
A touch
   La7
A dance

Si♭maj7                  Do7
To look in somebody's eyes
                 Do#(dim)
To light up the skies
             Rém
To open the world and send them reeling
Si♭maj7                      Do7
A voice that says, I'll be here
                 Rém
And you'll be alright
Si♭maj7                 Do7
I don't care if I know
                   Do#(dim)
Just where I will go
                   Rém
'Cause all that I need's this crazy feeling
Si♭maj7                  La7
A rat-tat-tat on my heart...
                   Rém
Think I want it to stay

Solm            Do
City of stars
                          Fa
Are you shining just for me?
```
